1. pursue the federal income tax exemption of the corporation granted under §501(c) to an organization described under §501(c)(3) of the Internal Revenue Code of 1954, as now in force or as afterwards amended.

(3) To use such property, or the income therefrom, in aiding, supplementing, improving and entering the educational, scientific, literary, research and service facilities and activities of The University of Mississippi, including, but not limited to: supplying or supplementing such salaries of professors and research specialists as may be needed to provide and maintain a highly competent faculty; acquiring and operating specialized laboratory equipment; erecting, renovating or repairing buildings; establishing scholarships; providing for advanced study by selected faculty members and students; paying expenses, fees or honoraria for visiting lecturers; making provisions for permanent separation of funds donated for specified purposes when so accepted by the Corporation with the approval of the University; making loans to the University, upon such terms as the Board of Directors may determine, in furtherance of the purposes of the corporation; making financial and other types of contributions and assistance to educational and scientific institutions, incorporated or unincorporated, which are exempt from Federal income tax; and generally supporting, promoting and assisting the educational, cultural and physical development of the students, faculty, staff and alumni of said University; provided, however, that no monies or property shall be utilized in

(4) To establish and maintain necessary relations with other organizations, individuals or groups so as to bring optimum benefits to the people of Mississippi and of the United States of America by reason of the existence of this corporation.

(11) To borrow money for such periods, at such interest rates, and upon such terms as the Board of Directors may determine reasonably necessary, and as security for such loans, to mortgage or pledge any real or personal property owned by the corporation with or without the power of sale.
